The Violent Foam Daisy Zamora 2002 The Violent Foam includes selections from Zamora's previous acclaimed books and poems written since 1993. About her earlier book, Clean Slate, MultiCultural Review noted "Zamora was shaped by revolution and gender, but her voice is true and universal, transcending political boundaries and sounding clear notes of sanity in times of madness." Her new poems, beautifully translated by the poet George Evans, continue her lyrical, clear-sighted vision of the world with humor and gentle irony. LASSIE (Autobiography) It's true. I was faithful. My one desire was to be patted on the head by a disdainful hand. And happily wagging that tail I ran in circles, barked, and rolled around to welcome the master.

The Collected Works of Henry James, Vol. 03 (of 06) Henry James 2020-12 Daisy Miller is a novel by Henry James that first appeared in Cornhill Magazine in June-July 1878, and in book form the following year. It portrays the courtship of the beautiful American girl Daisy Miller by Winterbourne, a sophisticated compatriot of hers. His pursuit of her is hampered by her own flirtatiousness, which is frowned upon by the other expatriates when they meet in Switzerland and Italy. Annie "Daisy" Miller and Frederick Winterbourne first meet in Vevey, Switzerland, in a garden of the grand hotel, where Winterbourne is allegedly vacationing from his studies (an attachment to an older lady is rumoured). They are introduced by Randolph Miller, Daisy's nine-year-old brother. Randolph considers their hometown of Schenectady, New York, to be absolutely superior to all of Europe. However, Daisy is absolutely delighted with the continent, especially the high society she wishes to enter. Winterbourne

is at first confused by her attitude, and though greatly impressed by her beauty, he soon determines that she is nothing more than a young flirt. He continues his pursuit of Daisy in spite of the disapproval of his aunt, Mrs. Costello, who spurns any family with so close a relationship to their courier as the Millers have with their Eugenio. She also thinks Daisy is a shameless girl for agreeing to visit the Château de Chillon with Winterbourne after they have known each other for only half an hour. Two days later, the two travel to Château de Chillon and although Winterbourne had paid the janitor for privacy, Daisy is not quite impressed. Winterbourne then informs Daisy that he must go to Geneva the next day. Daisy feels disappointment and chaffs him, eventually asking him to visit her in Rome later that year. In Rome, Winterbourne and Daisy meet unexpectedly in the parlor of Mrs. Walker, an American expatriate, whose moral values have adapted to those of Italian society. Rumors about Daisy meeting with young Italian gentlemen make her socially exceptionable under these criteria. Winterbourne learns of Daisy's increasing intimacy with a young Italian of questionable society, Giovanelli, as well as the growing scandal caused by the pair's behaviour. Daisy is undeterred by the open disapproval of the other Americans in Rome, and her mother seems quite unaware of the underlying tensions. Winterbourne and Mrs. Walker attempt to persuade Daisy to separate from Giovanelli, but she refuses. One night, Winterbourne takes a walk through the Colosseum and sees a young couple sitting at its centre. He realises that they are Giovanelli and Daisy. Infuriated with Giovanelli, Winterbourne asks him how he could dare to take Daisy to a place where she runs the risk of catching "Roman Fever". Daisy says she does not care and Winterbourne leaves them. Daisy falls ill and dies a few days later.
