A friend of her older brother, Six is five years older than her. Plus, there's the pesky fact that he's had a steady girlfriend for months. Still, even though she knows there's no chance for her, she can't seem to let the fantasy go. Six Jagger has had a thing for Brooklyn Hall since the first time he laid eyes on her a year ago. However, after finding out her age, he wiped her off his list of possibilities. That should've been the end of it, but for some reason, he can't stop watching and admiring her from afar. Happy that he's successfully maintained his distance, all that changes on the night Brooklyn walks into Inked Edges, asking him for an illegal tattoo. After that, all his carefully constructed barriers come tumbling down,
