Position Classification Standard for Nursing Assistant Series, GS-0621

practical and vocational nurses by a State, Territory, or the District of Columbia, or (b) fully professional nurse education. This standard supersedes, in part, the Position Classification Standard for the Nursing Assistant Series, GS-621, published in June 1970. This standard is issued concurrent with the publication of a closely related classification standard for the ...

Design of Surface Mine Haulage Roads - A Manual

the Bureau of Mines undertook a project to produce a design manual that would ultimately guide surface mine road planners toward safer, more efficient haulage systems. Such a manual did not exist prior to the conclusion of this project. This manual was produced under a contract let by the Bureau of Mines to Skelly and Loy Engineers and Consultants.
