. An Analysis of Language Teaching Approaches and Methods ...

Key words: teaching approaches and methods; effectiveness; weakness . 1. Introduction . Language teaching has a long, fascinating but rather tortuous history, in which a debate on teaching methods has evolved particularly over the last hundred years. The names of many of the methods (Grammar-translation Method, Direct Method, Audio-lingual Method, …

Teaching Listening and Speaking: From Theory to Practice

09.06.2007 · Approaches to the teaching of listening and speaking will be explored here in the light of the kinds of issues discussed above. My goal is to examine what applied linguistics research and theory says about the nature of listening and speaking skills, and then to explore what the implications are for classroom teaching. We

Principles and Practices of Teaching English Language Learners

1.1 Issues in Teaching English as a Second Language The increasingly diverse environment of today's classrooms provides a rich opportunity for teachers and students to engage in effective learning. With a growing number of English Language Learners worldwide, there is a critical

need for general education and resource teachers to know how to effectively build and implement …

LANGUAGE ACTIVITIES FOR A COMMUNICATIVE CLASSROOM

So communicative language teaching is about allowing students to practise more and to relate language to their own realities. Activities in Communicative Language Teaching are focused on students in realistic communication. The more practice and success students have using English, the better their motivation to learn. 1. Classroom management

5. CLASSROOM BEHAVIOURAL STRATEGIES AND INTERVENTIONS

Teaching Classroom Rules Creating the rules is only the beginning. Once agreed upon, the rules should be taught to the students and posted in the classroom in both print and visual formats. The rules should be explained using clear, concise language. As well, they should be explained through the use of specific examples and role-playing.
