Nice Girls Don't Speak Up or Stand Out Lois P. Frankel 2020-06-16

Discover the "must-listen for every smart, capable woman who wants to succeed"-a guide on how to communicate with maximum impact in the workplace that's the new book in the New York Times bestselling *Nice Girls Don't* series (Anne Fisher, Fortune.com). How many times have you asked yourself why you didn't speak up in a meeting? Or pushed for the raise you deserved? Or agreed to take on someone else's task because you didn't want to rock the boat? Whether the answer is once or ten times or more, the reason is the same: It's because you're a nice girl who goes along to get along. But staying quiet and being ignored are not paths to achievement. Now, in *Nice Girls Don't Speak Up or Stand Out*, Dr. Lois Frankel shows you how to be an effective communicator and advocate for yourself. From the basics of speaking up to navigating sticky situations and mastering the art of influencing others, this audiobook provides step-by-step advice using real-life examples and powerful tools such as: Be a broken record Choose powerful word Never say no Enlist advocates And many more -- in bonus materials for extra tools in your pocket Dr. Frankel chose the format of this new audio-first work carefully, with the mission of creating an interactive and impactful listen, interweaved with actionable recommendations, real-life anecdotes, and concrete examples of not only what to say in various scenarios, but how to say it. *Nice Girls Don't Speak Up or Stand Out* dives deeply into nearly one hundred everyday challenges women face related to communication. With Dr. Lois Frankel as your guide, you can learn how to express yourself confidently, courageously, and clearly -- and start taking charge of your career.

Unmuted Heather Hansen 2022-03-17 Professional communication has become more complex than ever as, with the rise of remote working and the increasing prominence of social media, we frequently find ourselves muted – when we can't find the opportunities to speak up or our ideas aren't getting the credit they deserve. your voice heard. Building upon research from business psychology, cultural studies and linguistics, *Unmuted* is the essential guide to professional communication. Through the unique 'Unmuted' framework, it provides practical strategies that will bring confidence and clarity to every aspect of your career, from writing perfectly worded emails to delivering powerful presentations.

Die Kunst des klugen Handelns Rolf Dobelli 2020-06-02 Neuauflage des Bestsellers: Komplett überarbeitet, neu gestaltet, mit großem Workbook-Teil und zahlreichen Illustrationen! Wer Rolf Dobellis gescheite Texte über unsere häufigsten Denkfehler gelesen hat, weiß mehr, doch er ist noch lange nicht aus dem Schneider. Denn auf dem Weg vom Denken zum Handeln lauern weitere Fallstricke. Glücklicherweise kann man die umgehen – wenn man weiß, wie. Genau das verrät »Die Kunst des klugen Handelns«: In 52 Kapiteln zeigt Dobelli warum es sich lohnt, Türen zu schließen und auf Optionen zu verzichten, warum Informationsüberfluss zu unklugem Handeln anstiftet, warum Geld stets in emotionale Kleider gehüllt ist, warum wir es darum oft unbedacht ausgeben. Rolf Dobelli gibt Ihnen das nötige Rüstzeug. Sein Rat: Schlagen Sie nicht jeden Irrweg ein, nur weil andere ihn gehen. Lernen Sie aus den Fehlern, die andere freundlicherweise für Sie machen. Denken Sie klar und handeln Sie klug! Rolf Dobellis Texte sind sowohl inhaltlich ausgesprochen bereichernd als auch ein echtes Lesevergnügen. »Die Bücher des Schweizers Rolf Dobelli machen nicht nur klüger, sondern tatsächlich glücklicher. Das liegt an seinen angenehm unaufgeregten, tiefen Ratschlägen.« Denis Scheck, Tagesspiegel »Rolf Dobellis Bücher habe ich nicht nur gelesen, sondern jedes Wort auf der Zunge zergehen lassen.« Frank Elstner

Executive Presence Joel Garfinkle 2022-08-17 Executive presence matters. When 400 CEOs were asked how they choose next-level leaders, 89% of them said they looked for one critical trait-executive presence. This quality is crucial for professional success. In *Executive Presence*, Joel Garfinkle shows you how to step into your power, convey confidence, and lead with conviction. As you rise in your organization, your executive presence must keep pace with your growth. The higher the stakes, the more you need that power and presence. Using extensive original

research gleaned from studying executive presence for more than 15 years, Joel has uncovered the 9 essential qualities of executive presence. His 3x3 Executive Presence Model doesn't just explain executive presence for the modern leader-it walks you step by step through exercises and strategies for cultivating each essential element. Methodically explaining how to master each one, he equips you with a personalized plan for growth, demystifies what executive presence is, and debunks misconceptions that hold you back. This book provides the blueprint for how to master 3 key executive presence domains. 1. Radiate gravitas. 2. Act with authority. 3. Express yourself fully. In Executive Presence, you'll learn how to: - Radiate the commanding, self-assured presence of a high-level leader. - Bring power, conviction, and a strong point of view to your presentations. - Move from passivity and self-doubt to self-assurance and bold decision-making. - Exude a professional magnetism that influences others at every level. - Cultivate and leverage charisma in all your interactions. - Communicate in a clear, crisp, and concise way. Maybe you've come across the term "executive presence" in HBR, but you couldn't adequately define it-let alone begin to grow it. This book will change that. As you delve into the lessons from Executive Presence, you'll join top-ranking organizational leaders who know how to influence others and drive extraordinary results. Whether you're a rising star or CEO, Executive Presence will guide you in leading a high-performing team. Moving from passivity and self-doubt to self-assurance and bold decision-making, you'll become the high-impact leader who propels your organization forward. Executive Presence is for women, people of color, and other employees from marginalized groups who are too often underappreciated, which causes companies to miss out on their full range of talent. By cultivating executive presence, women and any overlooked employees can smash through the glass ceiling and gain the recognition they deserve. If you're in one of these demographics, growing your executive presence will allow you to leap over the barriers you may encounter in your career. What's the key differentiator between this Executive Presence book and its competitors (Sylvia Ann Hewlett's Executive Presence: The Missing Link Between Merit and Success, Paul Aldo's Understanding Executive Presence, Debra A. Benton's Executive Presence for the Modern Leader, and Harrison Monarth's Executive Presence, Second Edition)? The 3x3 Executive Presence Model provides a clear, structured blueprint for developing the most important facets of executive presence. Learn about the 3 domains - gravitas, authority, and expression - that act as the foundational pillars holding up the 9 executive presence competencies.

RAPIDEX ENGLISH SPEAKING COURSE (Oriya) (With CD) V&S EDITORIAL BOARD 2015-01-09 A legendary language learning course undoubtedly!

Rapidex English Speaking Course is the only speaking course of its kind whose features can be described in superlative degree only. It has already benefited millions of readers across the country. Experts have unanimously declared it as the best self-study course. Perhaps that is the reason that for over 15 years it has constantly been on the top of the best sellers list in the market. What is the secret of its great popularity? Maybe, a no-nonsense down-to-earth approach and a very scientific methodology that takes into its account the special requirements of Indian learners. In any case it is not just another crash course that begins with a bang but ends with a whimper. Rather its contents and subject matters have been specially designed to help a common man achieve maximum command on the language in a very short time. The most important part of this self-study course is confidence building measures because it has been found from the long experience that biggest problem in the path of fluently speaking a foreign language is hesitation, that arises out of lack of confidence. Many people, who have good command over the language and are well aware of its grammar and composition, can't speak the language fluently. Why? The answer is simple. While speaking they try to construct a sentence in their mother language and do the mental translation before uttering a single line. This creates not only confusion but utter chaos in their mind. As a result they feel great hesitation to speak simple sentences. In some cases, however, the problem is more complex, as they lack the basic knowledge of the English language. Rapidex English Speaking Course takes care of both the cases. So, what are you waiting for? Go ahead and discover the secret of fluency in English speaking. Explore and develop your hidden potential and face the world with a new-found confidence and smartness. Only the sky should be your limit. No matter which language you know or speak, be it Hindi, Marathi, Gujarati, Tamil, Telegu, Assami, Oriya, Kannad, Punjabi, Bengali, Nepali or Urdu, with the help of this book English will no more be a foreign language for you. A must for every Indian home.

States—and each one possesses the same fear: if she goes after her dream, she'll be seen as selfish, bitchy, a bad wife, or bad mother. But it's exactly this fear of ambition that has forced women to leave the best part of themselves—their dreams, their great talents—by the roadside, rendering them less able to be the whole people they should be in every area of their lives. Condren has a new message and mission: to remind women that ambition is a virtue, not a vice. Ambition is the best of who we are. The real way to have a great life is to see ambition as a part of your value system to which you must give equal attention, along with the other priorities you hold dear, including your spouse, your children, and your friends. In *ambITCHous*, Dr. Condren offers fresh, powerful tools for reclaiming your dreams. Her eight *ambITCHous* Rules provide concrete, innovative solutions to the everyday struggles we as women face, like taking credit, deflecting detractors, and handling confrontation, so that you can become more powerful and fulfilled at work and more satisfied at home. You can redefine your ambition in the face of social sanctions and unapologetically go after your dreams without sacrificing the rest of your life. You owe it to yourself and the world to make the contribution you were born to make. Debra Condren will show you how to do it.

FIRE Melissa Calixte 2021-02-19 Fitness is not everything to me. There is so much more inside, I guarantee you. I only discovered a small percentage of what I am passionate about and what I can create. Fitness is a tool for joy, a tool to bring people solutions, and help them feel better. As for writing, it's another chapter. Life is about finding happiness and sharing with others, but nothing can happen without bringing to light what's inside. It is the only way to give the world the gift of uniqueness that will finally make the change.

Nonlinear Models for Archaeology and Anthropology William W. Baden 2016-12-05 The dominant social theory used by archaeologists has tended to focus on either small scale agency or large-scale cultural patterns and processes of change. The authors of this volume argue that archaeologists should use nonlinear models to more accurately model the connections between scales of analysis, and show how micro-scale variation can lead to macro-scale cultural change. This work examines the applications of nonlinear systems models within archaeology and evaluates the range of approaches currently encompassed within Complexity Theory.

Taking the Stage Judith Humphrey 2014-10-13 Many women today wonder: what will it take to get that seat at the boardroom table? Earn that coveted promotion? Or simply have their voices heard? Taking the Stage provides a comprehensive, proven approach that enables women to come forward into the spotlight and speak up, stand out, and succeed. Based on a program from the Humphrey Group that has been delivered to over 400,000 women worldwide, Taking the Stage shows women—no matter their age, rank, or profession—how to communicate with courage and confidence in every situation, from formal speeches to brief hallway conversations. Judith Humphrey provides the inspiration and practical advice for women to “take the stage” mentally, verbally, vocally, and physically. Women can make the most of every opportunity by understanding how best to: Speak up confidently, even when others don't agree; Convey their accomplishments without self-doubt; Be assertive but not aggressive; Deliver clear and convincing messages; Move beyond “minimizing” language and apology; Find their own powerful and authentic voice; Achieve confident body language and a leadership presence. By applying these techniques and others to every communication— whether making a presentation, speaking at meetings, conducting an elevator conversation, or selling themselves in job interviews—women will be recognized as the leaders they are and attain positions of influence. For women at all stages of their career, and for managers and executives committed to supporting and guiding women on their leadership journeys, Taking the Stage is the practical, broad-based solution that will allow women to speak up confidently, gain respect, earn the promotions they deserve, and secure their places at the boardroom table.

Playing Big Tara Mohr 2014-10-16 'At last. At last this very important book has been written . . . It will empower legions of women to step into their greatness.' Elizabeth Gilbert, author of EAT, PRAY, LOVE What could you achieve if you were confident enough to take risks? How much more fulfilled would you be if you ignored other people's perceptions and forged your own path? All too often talented women feel unable to share their opinions, challenge the norm or take the lead. But now it's time to play big. As the founder of a global leadership programme for women, Tara Mohr has spent her career teaching exceptional women to find their voice and their confidence. In *Playing Big* she shares her proven techniques for mastering self-doubt, dealing with criticism and communicating with authority. She also demonstrates how to become self-assured enough to stop planning and take a leap forward so that you can achieve the things you want most. 'The perfect catalyst for any woman who wants to go outside her comfort zone, find her voice and embrace the biggest possibilities of her life.' Voices from the Heartland Sara Beam 2019-08-22 Despite progress in recent years, Oklahoma hardly ranks as woman-friendly. The state holds the highest incarceration rate of women in the nation. It offers women no

legal protection against being fired due to sexual orientation or gender identity. Its Native American and immigrant populations struggle for access to community resources. And Oklahoma is still governed largely by men, leaving women without adequate political representation. In 2007, the highly acclaimed anthology *Voices from the Heartland* provided a much-needed platform for Oklahoma women—prominent and unknown—to tell their stories. This timely sequel reflects an even broader cross-section of women's experiences. Just like its predecessor, *Voices from the Heartland: Volume II* offers memorable accounts of struggle and transformation. It does not sugarcoat the problems that women face in contemporary Oklahoma—and in many parts of underprivileged America: racism, sexism, homophobia, poverty, addiction. The 38 contributions gathered here are honest and, at times, raw. They cover such varied topics as girlhood, trauma, the workplace, parenting, politics, and religious beliefs. Taken together, the essays comprise a living artifact of women's history, accessible and, as an anthology, ideally suited for classroom use. In the wake of the #MeToo movement, it is more important than ever to listen to what women have to say about their own lives, including—and perhaps especially—women from flyover states like Oklahoma. As Sara N. Beam states so eloquently in her preface, “You’ll read their stories here as they want them told: in a mix of poetry and prose, in the voice of a relative, in the voice of a tired person across the breakroom table, in a secret hush, or in a voice not unlike that of your best friend or mother.” These voices from the heartland inspire us to pause, to listen, to understand, to evolve, and to make a difference.

Ambition Is Not a Dirty Word Debra Condren 2008-02-12 Wouldn't it be

great if you could be audaciously ambitious and happy at the same time? You can, and you will. “I’m here to tell you that all of your priorities—personal and ambitious career goals alike—can fit together harmoniously. I’ll show you how, like thousands of women I’ve worked with over the years, you can make more money, earn the credit and recognition you deserve, have more power, and be as ambitious as you want to be. I’ll show you how you can be ambitious without compromising your ethics and integrity. I’ll show you that you can feel worthy and entitled to all of this without fear that you risk sacrificing your desire to have a full, happy personal life and without being afraid that you’ll be less of a woman. It’s worked for me. It’s worked for countless ambitious women I’ve advised. It will work for you.” —From *Ambition is Not a Dirty Word: A Woman's Guide to Earning Her Worth and Achieving Her Dreams* We women aren’t advancing in our careers the way we should. We’re not making the money we deserve or getting the fulfillment we desire. And this time it’s not men who are holding us back. This time we’re doing it to ourselves, because ambition—for us—is still a dirty word. Debra Condren has coached thousands of women at every level—from those just starting out to the most powerful female executives in the United States—and each one possesses the same fear: if she goes after her dream, she’ll be seen as selfish, bitchy, a bad wife, or bad mother. But it’s exactly this fear of ambition that has forced women to leave the best part of themselves—their dreams, their great talents—by the roadside, rendering them less able to be the whole people they should be in every area of their lives. Condren has a new message and mission: to remind women that ambition is a virtue, not a vice. Ambition is the best of who we are. The real way to have a great life is to see ambition as a part of your value system to which you must give equal attention, along with the other priorities you hold dear, including your spouse, your children, and your friends. In *Ambition is Not a Dirty Word*, Dr. Condren offers fresh, powerful tools for reclaiming your dreams. Her eight *Ambitious Rules* provide concrete, innovative solutions to the everyday struggles we as women face, like taking credit, deflecting detractors, and handling confrontation, so that you can become more powerful and fulfilled at work and more satisfied at home. You can redefine your ambition in the face of social sanctions and unapologetically go after your dreams without sacrificing the rest of your life. You owe it to yourself and the world to make the contribution you were born to make. Debra Condren will show you how to do it.
