*Leben nach dem Tod* Dinesh D'Souza  
2011-05-20 Gute Gründe für den Glauben an Gott und das Jenseits Ist der Tod das Ende? Ist es vernünftig, an ein Jenseits zu glauben? Und wenn ja, welche Konsequenzen hat dieser Glaube für uns? Diesen Fragen, die die Menschen seit Jahrhunderten beschäftigen, geht Dinesh D'Souza in bisher nie dagewesener Weise nach. Er verlässt sich weder auf göttliche Offenbarung noch auf religiöse Glaubenserlebnisse oder heilige Texte, sondern nähert sich dem Thema mit Logik, Wissenschaft und außerordentlicher Gelehrsamkeit. Auf der Basis neuester Erkenntnis der Wissenschaft, Philosophie und Psychologie zeigt D'Souza, warum die atheistische Kritik an Gottes- und Jenseitsvorstellungen irrational ist - und warum es als Konsequenz daraus rational ist, an das Leben nach dem Tod zu glauben. Denn nicht zuletzt verleiht der Glaube an das Jenseits dem Leben Sinn und Tiefe, und ist zugleich ein Weg zum Glück und ein Grund zur Hoffnung.

**Get On The Journey** David Smith 2015-08-04 What is Get On The Journey? Several years ago I felt led to start writing men's devotions. They were primarily written for JourneyMen, men on a journey and walking with Christ. I soon found out that my devotions were not only being read by JourneyMen but also by women on the journey. Daily and "manly" activities end up being themes for devotion. God's Word can be applied to my life, and in turn to your life, through these devotions. Devotion life topics include fishing, washing the car, cleaning the pool, watching television, Peyton Manning being released, working, sleeping, winning, losing, granite shopping, etc. Each devotional also contains probing questions that can be used for self-examination or for small group study. *Get On The Journey* contains fifty-two devotions that recap a year of my life and writing but can be read and explored on your journey at your own pace. —David Smith, *Journeymen* Why should you get on the journey? "Through trials and temptations God will strengthen our faith as we journey in the race of life. It is here I find David's devotionals an inspiration for each one of us who gather together in the name of Christ. David has a special talent for reflecting life's circumstances as a tool to help us all join in the race together. Sometimes we laugh, and sometimes we cry. As you read David's devotionals, meditate on your own life circumstances. Consider how God is shaping and molding you to be a JourneyMan—a man on a journey in life with Jesus as his Savior." —Pastor Rod Lindemann, *Journeymen*

long ago when the baby Jesus was born in the manger. In this clarion call to 'remember the reason for the season', readers are taken back in time to the simple origins of a baby who changed history forever. Warren gives readers an intimate look into his family heritage as he shares the fifty-year-old Warren Christmas tradition of having a birthday party for Jesus. Through stirring imagery and compelling insights, this book celebrates the significance and promise of this cherished holiday.

**On peace** James H. Herrera 2009 "Peace is a phrase that is often used but vaguely understood. Conventional thought considers peace as a condition that shares a dialectical relationship with war, albeit devoid of a separate nature of its own. Upon closer examination, peace has a pragmatic quality and the potential to be a separate element of statecraft, not simply the absence, termination, or continuation of war. This paper examines peace at the individual, collective, and inter-collective levels. It does so by addressing three central questions: First, how is peace defined and what is its nature? Is it a natural condition or an artificially constructed one? Second, does it differ at the individual, collective, and inter-collective levels? And third, can peace stand on its own as a means of policy relative to diplomacy and war? In essence, can peace be waged? Research reveals that a complex paradigmatic change in statecraft must occur in order to employ peace as a "shaping" and sustaining action. Further inquiry is required to fully understand its potential as a tool, one similar to "soft power." This paper contains recommendations for the continued development of this concept."--P. v.

**God's Gift to You** Fred Ithurnburn 2009-12 The Roman Catholic Church's Eucharist should be open to anyone, regardless of whether or not that person has been baptized, is sinful or follows another religion. That's because Jesus Christ invites everyone to his banquet. But not all people feel the same as Fred Bert Ithurnburn, a layperson who has written more than 200 letters to Pope Benedict XVI. He's still waiting for a response, but he isn't giving up on spreading the message of acceptance first brought to the world by Jesus. Just think how different the world would be if the early church fathers understood and applied the New Covenant properly, assuring a continued Gift of Eucharist to everyone. Jews might have accepted the more inclusive religion as a continuation of their own, and Mohammed might have felt welcome at a table where he was equally loved. The Greek and Roman Catholics would find no dispute, and no crusade would have sacked Constantinople. And that would have just been the beginning. In this sequel to God's Gift to You, you'll read some of the author's letters to the pope and decide for yourself the true meaning of the Eucharist.

**Bibellesen mit Vision** Rick Warren 2006 *Glaubensriesen - Seelenzwerge?* Peter Scazzero 2011-08-17 Der christliche Glaube zielt auf konkrete Veränderung. Er soll Früchte tragen: Freude, Friede, Sanftmut, Geduld, Liebe .... Warum funktioniert das in der Praxis so wenig? \* Warum sind viele Christen menschlich so verkümmert? \* Warum gibt es in christlichen Gemeinden so viele bittere Konflikte und Machtkämpfe? \* Welche Rolle spielen unsere Gefühle für den Glauben? Peter Scazzero beschreibt in

diesem Buch Symptome eines Glaubens, der emotional unreif geblieben ist. Er deckt auf, warum herkömmliche Vermittlungswege von Glaubenswachstum oft einer Reifung der Persönlichkeit geradezu im Weg stehen. Und er skizziert den Weg zu einem ganzheitlichen, erwachsenen Glauben, auf dem die emotionale Reife nicht auf der Strecke bleibt. Denn er ist überzeugt: "Das größte Geschenk, das die Kirche unserer Welt machen kann, liegt darin, eine Gemeinschaft von emotional erwachsenen Menschen zu werden, die gelernt haben, wie man liebt."

**Father of the Universe** Philip Reynolds

ThB 2015-08-12 Father of the Universe:

Creation Theory and End-Time Vision

grounds its explorations of God, of his act to create the whole world, and of the shape that the end of all things will take on the foundations of the scriptural witness and the dreams that Philip Reynolds, the author, had in 1954. From these two sources he fashions a portrait of God the Father as he has experienced him and envisions him. In addition, he refines a theology of creation and humanity's beginnings. Finally, he shows how the Father has sent his Son to bring people, through the work of the Spirit, into his presence. In the course of this journey, Father of the Universe looks at the Father before time, his holiness, how he is Father of time and angels, his nation, and the church. The journey ends with a vision of the future humanity can hope to share with the Father. You might be someone who, at some point, has asked the hard questions: Is there more to life than this? What is the point of it all? What does God the Father intend for me, my family, my community, and this world? If you are one who asks those questions, then Father of the Universe: Creation Theory and End-time Vision will serve as your guide for glimpsing the outlines of some answers about the Father and his designs for creation.

Prophet of Purpose Jeffery L. Sheler

2009-11-03 Rick Warren is arguably the most influential man in American religion today. Megachurch pastor, friend of world

leaders, and trend-setting spiritual entrepreneur, he is widely recognized as the new public face of evangelical Christianity in America. No other modern churchman has matched his success as a leader and motivator of Christians. His book, *The Purpose-Driven Life*, is the bestselling nonfiction hardcover of all time, with more than 25 million copies sold. At a time when evangelicalism stands at a political and cultural crossroads, his stature continues to rise. But who is Rick Warren? What can be learned from the story of the man behind the message? And what does his life say about the state of Christianity today? *Prophet of Purpose: The Life of Rick Warren* traces the road Warren has traveled, the influences in his life, his trials and temptations, and the opposition he has encountered along the way. Honest, thorough, and insightful, it explores his spiritual coming of age during the turbulent 1960s, his principled determination to sit out the divisive battles between fundamentalists and moderates in the Southern Baptist Convention in the late 1970s, and his audacious endeavor in the 1980s to build a "church for people who hate church" in the suburbs of Los Angeles. From a handful of worshippers meeting in a tiny apartment, he grew a vibrant congregation of over 22,000 and a global network of pastors who follow his strategies for building churches and transforming lives. In this unofficial biography, Jeffery L. Sheler, who had unfettered access to Warren and those closest to him, presents an intimate portrait of Warren as a man of faith and vision but also of flesh and blood and human foibles—a pastor, communicator, philanthropist, and family man who is driven by a sense of divine purpose to complete the course his God has set before him. *Prophet of Purpose* brings Warren and his mission to life and provides a provocative glimpse into the potential future of Christianity in America.

**Unsere Revolution** Bernie Sanders 2017-06-02 Bernie Sanders zeigt, dass eine wahre gesellschaftliche Erneuerung nur von links geschehen kann. Seine Ideen eines modernen demokratischen Sozialismus sind wichtiger als je zuvor - für die USA und für die ganze Welt. In der führenden Nation des Westens spielen die Belange der Mittelschicht und der Geringverdiener, aber auch die des Umweltschutzes und der Minderheiten eine empörend geringe Rolle. Doch der Sozialist Bernie Sanders kämpft weiter für eine politische Revolution: für eine Ökonomie, die nicht nur Jobs schafft, sondern auch für gerechte Löhne sorgt; für ein Gesundheitswesen, das allen zugute kommt; für den nachhaltigen Schutz unserer Umwelt — und gegen jede Form von Rassismus. Nur so wird es gelingen, den USA und der ganzen Welt eine bessere Zukunft zu schaffen. Sanders' Buch ist die linkspolitische Agenda für alle, die mit dem Primat der Profitgier und der Willkür des Establishments nicht einverstanden sind und nach neuen Wegen jenseits des Raubtierkapitalismus suchen.

**Kirche mit Vision** Rick Warren 2019-09-01 Jede Gemeinde wird von etwas angetrieben. Traditionen, Programme, Persönlichkeiten, Ereignisse, Suchende und sogar Gebäude können die treibende Kraft einer Gemeinde sein. Rick Warren ist jedoch der Überzeugung, dass eine Gemeinde sich nur dann gesund entwickeln kann, wenn sie vom Auftrag Gottes getrieben wird. Das ist der eigentliche Zweck einer Gemeinde. In seinem Bestseller gibt Rick Warren praktische Hilfen, wie Ihre Gemeinde sich zu einer Gemeinde entwickeln kann, die den Auftrag Gottes lebt, indem sie - wärmer wird

durch Gemeinschaft, - tief gehender wird durch Jüngerschaft, - stärker wird durch Anbetung, - weiter wird durch Dienen und - größer wird durch Evangelisation.

**Das Gebet des Jabez** Bruce Wilkinson  
2002-01

Sin Bravely Mark Ellingsen 2009-04-01 Mark Ellingsen dares you to go ahead and sin bravely! In this refreshing and unique book, he challenges the religious legalism pervasive throughout American evangelicalism today and encourages a new understanding of what it means to be both a Christian and a human being. Equipped with the joyful, rebellious vision of Martin Luther, father of the Protestant reformation, and the latest in neuroscientific research, Ellingsen offers a new approach for healthy living - one opposed to the duty-oriented, selfish and stifling conception of faith that has gained such a strong foothold in contemporary American culture. It is an approach that fully embraces the active role that God's grace plays in each person's life and the fun and freedom one gains from it. Beginning with the first theological analysis of Rick Warren's brand of Christianity, this book exposes the burdens and narcissism that purpose-driven and duty-bound living encourages, and includes the purveyors of the Prosperity Gospel, taught by such influential preachers like Joel Osteen, in his critique. Ellingsen writes that brave sinners, aware of God's grace in their lives, instead say "no" to narcissism and "yes" to healthy risk-taking that gets beyond selfish desires to the desire to help one another. When people sin bravely, acknowledging that everything done is done in sin with God's saving grace acting upon them, people can learn to recognize God. This awareness leads to freedom and joy, since the pressure is now removed to do and be good. In addition, total dependence on God entails a self-forgetfulness that leads to happiness. The more boldly someone acknowledges their sin, in failing to take credit for the good they have done, the more focused on God the individual becomes. Correspondingly, this self-forgetful lifestyle is a promising counter-cultural alternative to the cultural

narcissism, which so dominate in many segments of contemporary American society. This book demonstrates both how and why brave sinning leads to joy, and in so doing offers readers practical advice on living this way. Ellingsen also cites recent neurobiological findings showing that when people forget themselves in order to focus on bigger projects, the pleasure centers of the brain are stimulated and people become happier and more content. It is this joyous risk-taking that he suggests brings people closer together, closer to God, and closer to a better understanding of themselves. Sin Bravely dares to be that joyful alternative to the purpose driven life.

**Be Still** Charles L Mashburn 2010-11-24 In today’s chaotic and challenging world, we all need encouragement. For the past fifteen years, my wife and I have utilized various daily devotionals for that helpful dose of inspiration to start our day. This book is written from the perspective of a not-so-perfect Christian in a manner that will speak to men and women of all ages and faiths, and provide them a simple encouraging, uplifting bit of insight for each day of the year. I believe this book will allow those who

read it to gain a fresh understanding of God, His love for them, and His plan for their life. And as they begin to understand God's love, they will experience the joy and peace He offers to those who love and trust Him. The first 105 devotionals deal with Bible verses from Genesis to Revelations that speak about not being afraid. The second phase deals with verses from Matthew through

Revelations that speak of God's love. And the remaining days of the year are writings on verses from Matthew through Revelations relating to joy and peace. The writing of these encouragements has blessed me beyond measure and brought me closer to the Lord than I ever thought I could be. I pray they do the same for you.
